

Heather Hill Bingo

Explore this newly opened area of Wellesley Woodlands by finding the items on this nature-themed Bingo Sheet!

Cross each one off as you find it!

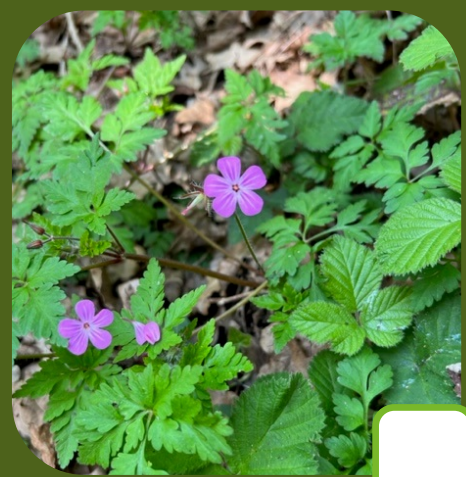

Holly

Log pile

Daisy

Herb robert

Garlic mustard

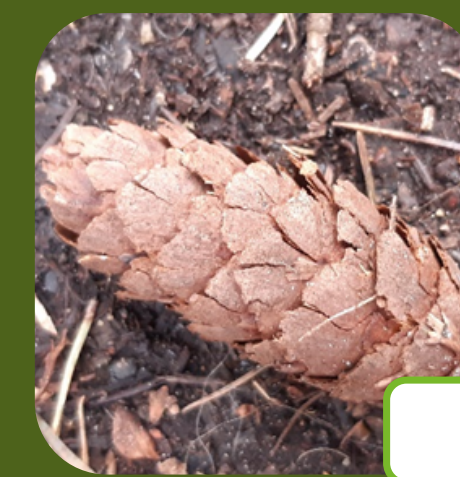

Red campion

Gorse

Bracken

Conifer cone

Check out its branching stem!

In spring this one smells very garlicky!

Log piles are great habitats for insects, reptiles, birds, rodents and amphibians!

Check out wellesleywoodlands.co.uk for directions and more activities to get involved in!
