

Log piles are great habitats for insects! If you were a bug where would you hide?

Bug Bingo

Explore Wellesley Woodlands and find the bugs!

Cross each one off as you find it! ✕

Hoverfly

Ladybug

Earwig

Wood ant

Stag beetle

Dragonfly

Lacewing

Chaffer beetle

Red-tailed bumble bee

These like to eat rotting vegetables

The male beetles have huge antlers!

Check out wellesleywoodlands.co.uk for directions and more activities to get involved in!
